These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

☐ The debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as set out in the column headed Amount of secured claim. For secured claims of governmental units, unless otherwise ordered by the court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor’s secured claim is listed below as having no value, the creditor’s allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor’s total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed Amount of secured claim will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. ☐ The judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the debtor(s) would have been entitled under 11 U.S.C. § 522(b). Unless otherwise ordered by the court, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon entry of the order confirming the plan. • **NOTE REGARDING PART 3.5 (SURRENDER OF COLLATERAL):** Any unsecured proof of claim for a claim of deficiency that results from the surrender and liquidation of collateral noted in Part 3.5 of this Plan must be filed by the earlier of the following or such claim shall be forever barred: (1) within 180 days of the date of the first confirmation order confirming a plan providing for the surrender of said collateral, (2) within the time period for the filing of an unsecured deficiency claim as established by any Order granting relief from the automatic stay with respect to said collateral. Said unsecured proof of claim for a deficiency must include appropriate documentation establishing that the collateral surrendered has been liquidated, and the proceeds applied, in accordance with applicable state law.

• **NOTE REGARDING PART 3.1: POST-PETITION MORTGAGE FEES:** Any fees, expenses, or charges accruing on claims set forth in paragraph 3.1 or 8.1 of this Plan which are noticed to the debtor pursuant to Bankruptcy Rule 3002.1(c) shall not require modification of the debtor's plan to pay them. • **NOTE REGARDING PART 3.1: POST PETITION AUTO DRAFTS:** Any bank or financial institution or lender to which the debtor has previously consented to auto draft payments from his or her bank account, is expressly authorized to keep such auto-draft in place and to deduct post-petition payments from the debtor's bank account if such payments are required to be paid directly by the debtor(s) under the terms of this plan. Such a deduction will not be viewed as a violation of the automatic stay. The automatic stay is modified to permit the noteholder or servicing agent on any secured debts being paid by the debtors to send the debtor payment coupons, payment statements or invoices, notices of late payment, notices of payment changes, notices of servicing transfers, or any other notice, other than a notice of acceleration or demand for payment of the entire balance, normally sent to customers in the ordinary course of business.

Unless otherwise provided herein, the monthly payment amounts listed in Parts 3.2 and 3.3 of this Chapter 13 Plan will be paid as adequate protection beginning prior to confirmation to the holders of allowed secured claims.

• **NOTE REGARDING TREATMENT AND PAYMENT OF CLAIMS:**

—All creditors must timely file a proof of claim to receive any payment from the Trustee.

—If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.

—If a claim is listed in the Plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the Plan.

—The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.
